CAREER OBJECTIVE

To obtain a challenging position in a reputable organization where I can utilize my technical expertise in **Java, Python, and React.js** to develop innovative software solutions. I aim to apply my strong **problem-solving abilities** and **teamwork skills** to contribute to the growth of the organization while gaining valuable practical experience. As a **quick learner** with a solid academic foundation, I am committed to improving my knowledge and delivering high-quality results in a professional environment.
